### Benicia Yacht Club's 2018 Racing Season

26.1 **COMMITTEE BOAT - WITHOUT RACE SKIPPER AND CREW:** [Draft] For the 2018 season, we will try an arrangement such that the race committee will officiate each race without the designated race skipper and crew aboard the committee boat. The race skipper and crew are allowed to race.

The race skipper will select the courses and inform the committee by mobile phone on the day of the race and not later than 5:30 PM.

The race skipper is responsible for food and drink for the race committee.

34.0 **ALOHA FLEET:** [Draft] The "Aloha Fleet" is provided for skippers who wish to sail non-competitively and not scored. Their start will occur after those of the competitive fleets.
