## **TO ORDER**

Please text Jenn @ 925-978-6386 30 mins before arriving to the club.

Text the name of your boat, your estimated arrival time to the club, and the food items you would like to order. Make sure to separate each item with the name of the member/sailor it belongs to so we can separate and make tabs correctly.

Once you arrive let your server or bartender know the name of your boat and name on the order which you are waiting for, and we can make sure we have the food on it way to you and correct tab to add drinks while you wait!

If anyone has any questions again feel free to text the number above to get ahold of me.

Thanks & cheers to a great racing season!

-Jenn
